

How to Change Your Display Name on a Smart Device with a Zoom Account

STEP 1: Sign into your Zoom account.

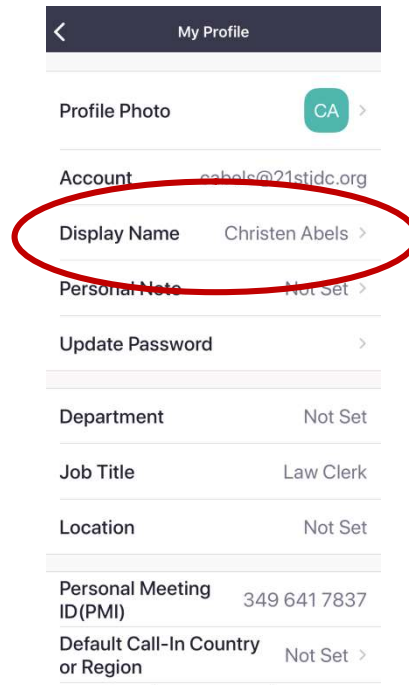

STEP 2: Select “Settings.”

STEP 3: Select the first option under the settings menu. It will read your current display name and email address.

STEP 4: Select “Display Name” and enter your first and last name on the next screen.

Step 5: Select “Save” and you have successfully changed your Display Name.
